

## **Important Notice – Enrollment Opportunity – Dependents to age 26**

Coverage is now available beginning at your plan anniversary to adult dependents up to age 26 for any such dependents whose coverage has ended or who did not previously enroll due to being ineligible based on age. Any employee wishing to add or return such eligible dependents to their group coverage will need to complete a change form and submit it to Blue Cross and Blue Shield of Kansas on or prior to your plan's anniversary date. Such dependents' coverage would be effective on the anniversary date.

## **Important Notice – Enrollment Opportunity – New Unlimited Lifetime Maximum**

The lifetime dollar limit on benefits no longer applies to your coverage. Any eligible employee or dependent whose coverage ended due to reaching the lifetime limit is once again eligible to enroll in our group health plan on or before their plan anniversary. Any such employee wishing to re-enroll in group coverage will need to complete an enrollment form or, if adding a dependent, a change form on or prior to your plan anniversary date. Enrollment under this provision would be effective on the plan's anniversary date.
